

Noble County Council on Aging 2023 Trivia Night Registration Form

Noble County Council on Aging will be having our annual Trivia Night on Saturday, September 23rd. Doors open at 5:00 PM and the game will start at 6:00 PM. We suggest teams arrive at 5:00 PM so they can decorate their table, set up their own snacks and drinks, and mingle before the game begins. We also recommend that all players bring cash along with them because there will be additional add on games throughout the night like 50/50 and heads or tails. There will also be door prizes, prize for best decorated table, prize for the winning team and the losing team. Teams are comprised of 8 individuals. Team Registration form and \$100 entry fee are due by September 15th.

Trivia Night is our organizations biggest fundraiser of the year and it raises funds to support the Senior Center and Noble Transit. We hope everyone joins us for a fun and exciting evening. It is truly an enjoyable night for everyone, whether you are good at trivia or not!
